

Serial No. 10/529,873
Atty. Docket No.: P68228US1

REMARKS

The undersigned attorney wishes to thank the Examiner for the telephonic interviews of June 24 and July 8, 2008. The Examiner explained in further detail, the issue with the status identifier associated with claim 1, which was part of the basis for the Examiner issuing a Notice of Non-Compliant Amendment on April 2, 2008.

Applicants have now amended the status identifier of claim 1 to (Currently amended) and indicate what portion of claim 1 was modified from the original claims filed in PCT application PCT/DK2003/000654.

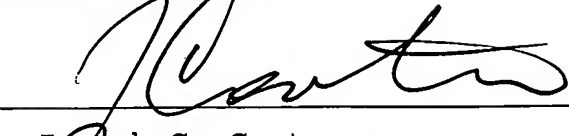

Basis for the additional language inserted into claim 1 can be found throughout the specification. Specifically, the claim was amended to further clarify the terms "PosIntro" and "ISCOM" in the claim. Support for the inserted claim terms can be found specifically at page 28, line 25, to page 29, line 26 of the specification, as well as in the examples.

Applicants believe the pending claims now have the correct status identifiers and are in condition for examination on the merits and allowance. If the Examiner has any questions regarding this response, the Examiner is invited to telephone Applicants' counsel at the number provided below.
